Popular Titles

In the world of Game of Thrones, the world is mostly populated by Sers. Sers are nobleman, comparable to a knight. They are 385 in total.

They are followed by 39 Maesters. Maesters are educated teachers, who tutor the royal children. Some Maesters also act as a counselor to the king.
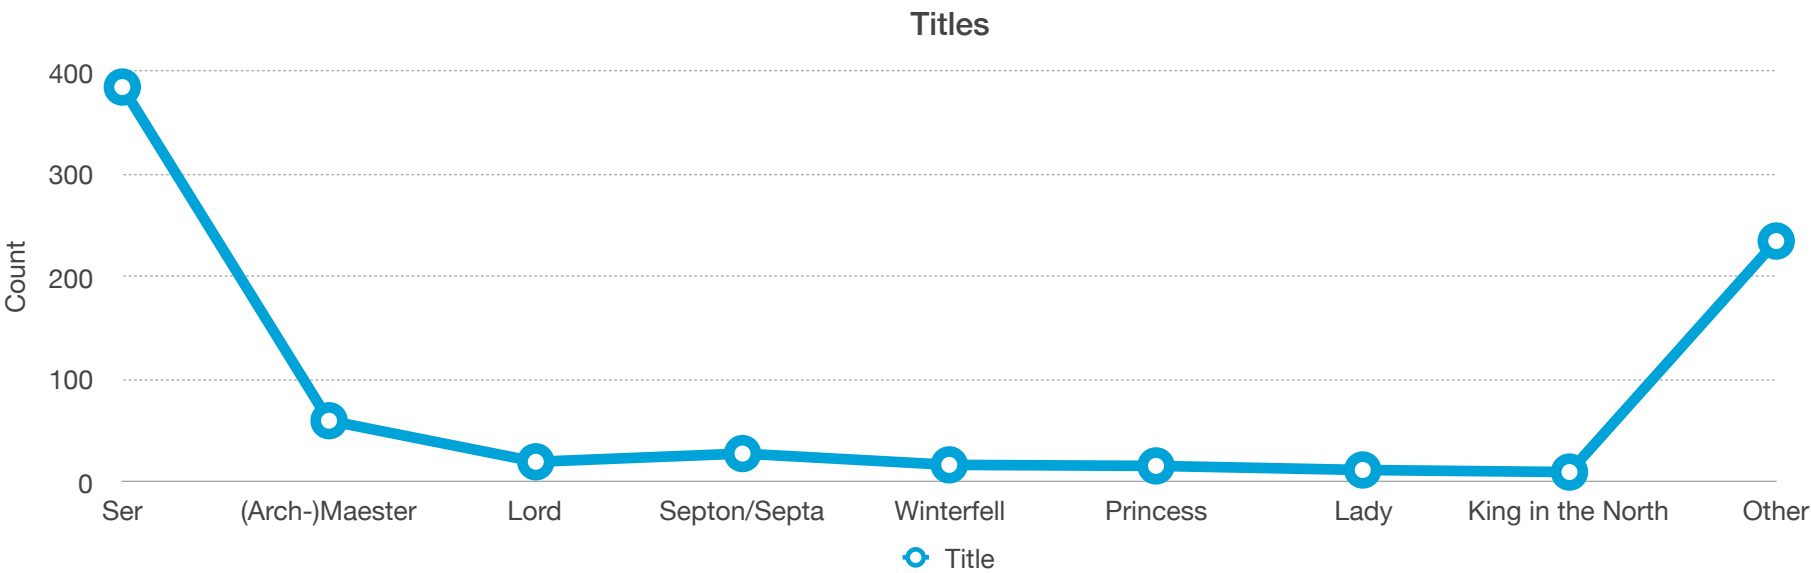

Septon is a male priest of the Faith of the Seven belief. The female counterpart is a Septa.

Winterfell is a castle and capital of the House of Stark.

King of the North is a title, which was given to the rulers of the North, an independent kingdom before the conquest of Aegon I. Targaryen.
